Atomigan

Description

Legend has it that the [Yome Clan](#) possessed a unique dojutsu called "Eyes of the Sand." The members of the Yome Clan possessed eyes, a mesmerizing blend of red and black reminiscent of the shifting sands under the red eclipsed sun. These eyes granted the Yome Clan extraordinary abilities tied to the very essence of the desert.

Legacy of Tall Yome

Following the death of First Kazekage, Tall Yome, many clan members honored him by giving their dojutsu an official name. Tall Yome, known as perhaps the greatest kage, utilized an unknown type of power known as "Atomic" which greatly boosted his battle power and gave him a purple aura. The Yome clan decided to base this power on their name. However, there was some divide over whether to give it a more practical name, such as "Takagan".
