

Kamino Guard

Overview

The Kamino Guard was a highly important battalion within the Army of Kamino, serving their home-world of Kamino, where they are created. Led by Company Captains, they protect their brothers.

Organizational Structure

Currently, the Kamino Guard is divided into two companies: the Base Company and the Ripper Company.

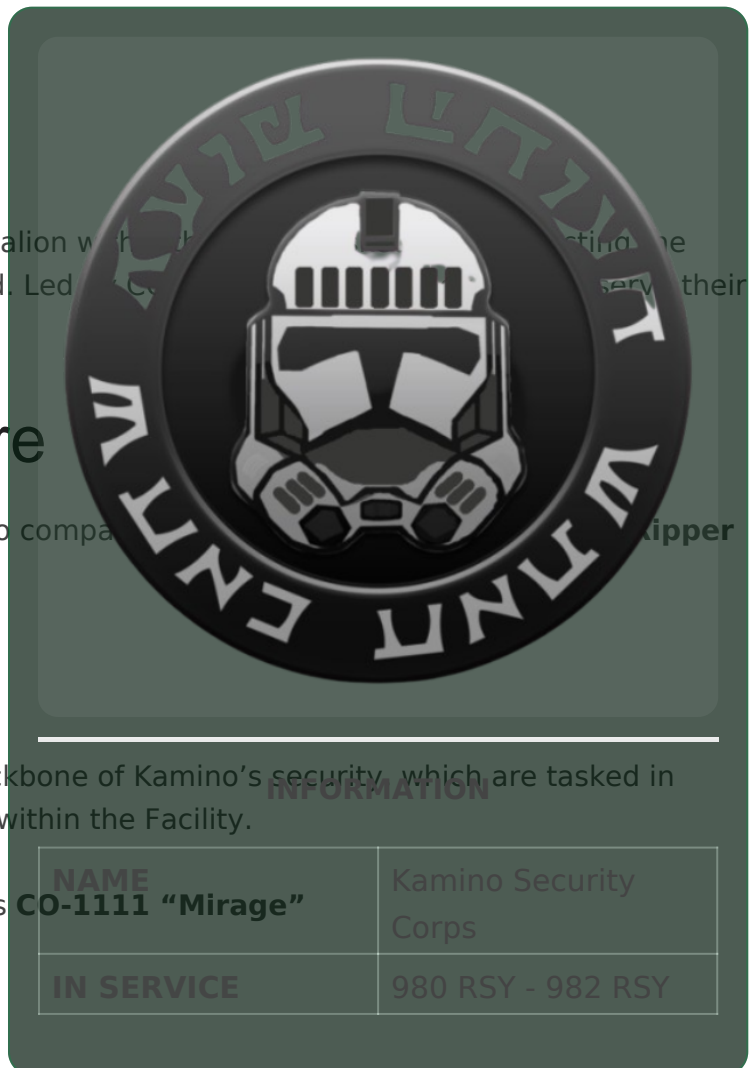

The Base Company

- **Role:** The Kamino Guardsmen are the backbone of Kamino's security, which are tasked in regular operations duties which take part within the Facility.
- **Weaponry:** Standard issue weaponry.
- **Leadership:** The first Company Captain is **CO-1111 "Mirage"**

The Ripper Company

- **Role:** Ripper Company specializes in high-risk operations and serves as a rapid response force in difficult and unexpected situations.
- **Weaponry:** Standard issue weaponry.
- **Leadership:** The first Company Captain is **CO-6284 "Forlorn"**

The Kamino Guard continues to play one of the most important jobs within the Army.
