

Red Guard

Overview

The Red Guard is an enforcement battalion of humanoid beings under the Executive Cabinet and the Chancellor's Office. The main force of the Red Guard is deployed wherever the Executive Board requests them to. First and foremost, they are a formidable and disciplined force that operate in situations that may be assigned to them.

Organizational Structure

The Red Guard is divided into two companies, the **Main Company** and the **Shadow Guard**.

The Main Company

- **Role:** Acting as the primary guardsmen of the Red Guard, this company is tasked with defensive security of the Executive Cabinet and the Chancellor's Office.
- **Weaponry:** Standard issue weaponry alongside the Ceremonial Pike, dual DC-17Bs, and the Mk-II Paladin for ranged scenarios.
- **Leadership:** The first Company Captain is **Captain Solidus**.

The Shadow Guard

- **Role:** Acting as the elite operatives of the Red Guard, this company is tasked with the neutralization of threats posed to the Executive Cabinet and deployed for operations requiring specialist assistance.
- **Weaponry:** Standard issue weaponry alongside the Ceremonial Pike, the DC-15X, and DC-19S.
- **Leadership:** The second Company Captain is **Captain Varria Seng**.
