Senate Guard

Overview

NOTABLE EVENTS	• The Senate Bombing
AFFILIATIONS	• Galactic Republic ◦ Grand Army of the Republic ◦ Galactic Senate

The **Senate Guard** is an enforcement battalion of humans focused on the protection of the Galactic Senate, including but not limited to the Senate District and members of the Senate. The main force is stationed on Coruscant, however will deploy wherever they are requested by members of the Senate. The Senate Guard has been described as a formidable force that are trained to do anything to ensure the security of democracy.

History

The Senate Guard was founded alongside the Galactic Senate in 25,000 BTR, residing within the Senate Rotunda on the established capital world of Coruscant. While the Galactic Senate served as a symbol of order in the early years of the Galactic Republic, the Senate Guard were viewed as symbols of both peace and security.

While also operating as a secondary police force, the Senate Guard were known to often collaborate with the 401st Legion alongside other Coruscant Security Forces.
