

CO-0067 "Smokey"

Smokey was a part of the graduating batch "A-2". He joined the 212th Attack Battalion, where he became a Sergeant who lead his men against the IRC on Alderann. After awhile, Smokey was transferred to the 104th Armoured Battalion to reinforce their numbers for the upcoming war. Smokey served under the elite Wolfpack Company, as the 2nd Lieutenant.

Smokey was an empathetic clone who tried his best to help the civilians on Carida. He has often negotiated with hostiles to try and work out a non-violent solution.

Service Record

- The [Pirate attacks on Alderann](#), The Chancellor's Assassination, The CIS invasion of Carida, The Sith Investigation on Ashas, The Invasion of Christophsis, The capture of Tophen City, and the First invasion of Leesis City.
- Smokey was a Squad Leader/Platoon Leader for all of these missions. **He was the clone who landed a shot on the assassin who killed Chancellor Volken.** Throughout the Christophsis campaign, he ensured his Wolfpack sustained minimal casualties, until Leesis City where their LAAT was unfortunately shot down.

Death

During the landing on Leesis City, LAAT's made an attempt to land in the city, with heavy resistance, the LAAT carrying Smokey and his [squad was wiped out \(Video\)](#) Only his charred helmet was recovered.
