Description

The former Monarch of Avalon. Not much is know
when Konoha shinobi attended a festival in her ho
appearance finds themselves unable to. She is kn
care much for the needs of other nations

Hana Lamora IV's characteristics can be describe
with a strange symbol that some within the Lamo
wearing Darker Clothing.

Hana Lamora is not usually seen alone and is protected by the Avalon Military, specifically the [REDACTED]. She's like most past queens of Avalon in the fact that she is fairly young.

Information

The only known fact about her is that she can manipulate other people. The extent of her abilities and her overall danger remain unknown...

Rumors say the First Hokage, Vane Senju, tried to sweet-talk her, ending in utter failure.

Leadership

Almost nothing is known about the system of government within Avalon, though many citizens show support for the queen. Whether this is through non-violent means is still yet to be seen.
