Land of Iron

Clans Native to the Land of Iron

- Kurogane Clan

Kurogane Clan

The clan that inherits The Land of Iron, honorable Samurai that ignore Shinobi affairs. Ancient and filled in heritage, they have produced Shoguns for generations, keeping the honorable peace of the Land.

Notable members of this clan include, Kitetsu Kurogane, Sasaki Kurogane, Musashi Kurogane, and Valentine Kurogane. These Samurai are all high skilled masters of Kenjutsu, or the ability to wield a sword with elite proficiency. Through dedication and hard work, no shinobi can rival their skills with a blade. Noted to have a main, and side branch, as well as smaller families. Some of these other smaller families include the Tetsu, the Ryuzaki, and the Kujo. The Main Branch is of bright white hair, almost as the snow, and eyes blue as the Kenjutsu they wield. The Side Branch is typically of black hair, with black eyes, and basic Kenjutsu abilities. Honorable are the Kurogane.
