Hozuki Clan

The Hozuki Clan is one of the clans of Kirigakure. Unlike most other Kiri clans, Hozuki progression is out of Permadeath events. The Hozuki Clan is renowned for its exceptional Water Release techniques and the unique Kekkei Genkai, the "Hydrification Technique". Hailing from the hidden village of Kirigakure, the Hozuki Clan's members possess an innate ability to transform their bodies into a liquid state, granting them unparalleled versatility and resilience on the battlefield.
