# Oribe Clan

**ARCHIVED**

The Oribe clan is a clan of Sungakure. They trace their lineage back to a legendary Shinobi called Oribe. Their ability is a mix of fire and wind which turns into the kekkei genkai called "Scorch Release", Sunagakure uses this to evaporate all the water inside of their target's body making them a desiccated corpse. However as strong the clan is they have a weakness against water jutsu.
