Polar Bear Coat

Creation

Another foreign cloak from the Land of Iron, this c
Larger in size and shaded a striking snow white, t
weather conditions of the icy Land of Iron. In addition to its weatherproof qualities, it is also believed to ward off dark omens, but to a far greater extent than its Bear Coat predecessor. Its intimidating presence strikes fear in all, even those it is meant to protect. As a result, this cloak is highly coveted by both Samurai and Shinobi alike.

Details

BUFFS	+40 Health + 35 Chakra + Basic Cold Immunity
OBTAINED BY	Possible Boss Drop
