Unlimited Projects Official Wiki

Welcome to our player-led and operated wiki, your guide to Attack on Titan: Project, Shinobi: Project, Demon Slayer: Project, and Clone Wars: Project.

Created with the passion and dedication of players like you, this wiki is a comprehensive resource for both new and veteran players. Whether you are exploring for the first time or diving deeper into lore and progression, this wiki is here to inform you.

Dive into the lore of each game as we catalog story arcs in an accessible wiki format. Our goal is to provide knowledge and insight needed to thrive in these universes.

This wiki is your trusted companion in the worlds of Attack on Titan, Shinobi, Demon Slayer, and Clone Wars Project.

Attack on Titan: Project

Factions, history, military organizations, and world lore.

Shinobi: Project

Clans, techniques, story arcs, villages, and characters.

Demon Slayer: Project

Core lore, progression, entities, and project-specific content.

Clone Wars: Project

Battalions, factions, arcs, and campaign knowledge base.
