

# Kumogakure

## About

Kumogakure (霧隠れの村) was the hidden village of the Land of Lightning, founded by the First Raikage. It was once one of the "Five Great Shinobi Villages". Kumogakure had a Kage as its leader, known as the Raikage. The village is located in a range of tall mountains hidden in the clouds. The Raikage works in a large blue structure built into the tallest mountain.

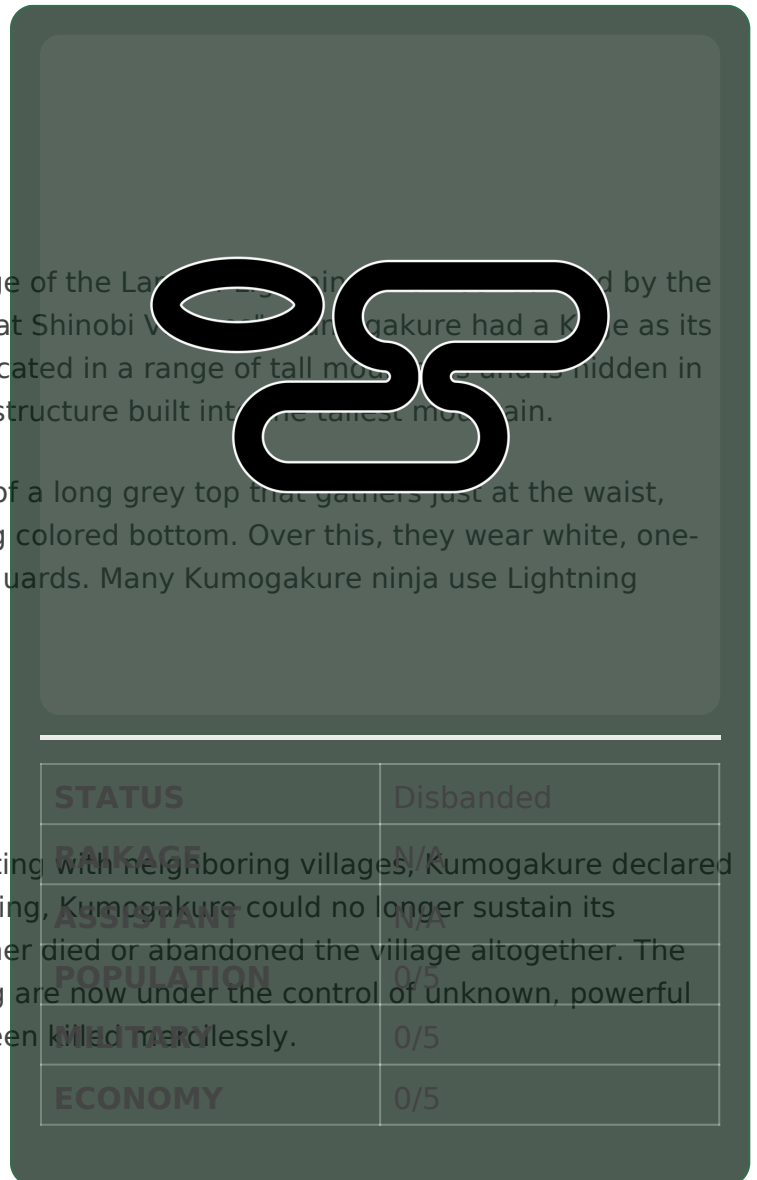

The standard attire for Kumo shinobi consists of a long grey top that gathers just at the waist, giving a sash-like appearance, with a matching colored bottom. Over this, they wear white, one-strapped flak jackets and arm as well as shin guards. Many Kumogakure ninja use Lightning Release techniques.

## Collapse

After several years of unrest and reckless fighting with neighboring villages, Kumogakure declared war on Iwagakure. After several weeks of fighting, Kumogakure could no longer sustain its numbers. Eventually, everyone in the land either died or abandoned the village altogether. The ruins of Kumogakure and the Land of Lightning are now under the control of unknown, powerful beings... Anyone who attempts to enter has been killed mercilessly.
