Society and Culture

Though their ideology is bent on mostly combat, and proving your worth through a test of skill, they also hold deep regards to familial bonds and loyalty to one another as well as the creed. They are guided by the **Resol'nare,** which stand as the pillars in Mandalorian life.

1. **Protect**
2. **Serve**
3. **Speak True**
4. **Take Responsibilites**
5. **Show Courage**
6. **Be Steadfast**

Mandalorian culture is founded on the pillars such as strength, honor, and leadership. Their people are trained from early age in the art of warfare, many becoming proficient at combat even at early ages like 10. Another pillar of their lifestyle is their traditional **Beskar armor.** Forged by ancient armorers, the metal is sacred among the Mandalorian people and is one of the strongest known metals in existence.

Government

They are governed by an ancient system of sovereign clans ruled by the Mand'alor Pre Vizsla, the leader of the Mandalorian people and the commander of the Mandalore military.

The position is earned, rather than passed down through lineage of the clans, but usually stays in line as they are raised by the best fighters on the planet. They often claim **The Darksaber** as a sign of leadership on the planet. Their role is to provide guidance and unity among the council of elders that guide the Mand'alor in times of need.

List of Clans

Clan Vizsla

Led by Mand'alor Pre Vizsla, the Vizsla clan is one of the founding clans of Mandalore under Tarre Vizsla, creator of the Darksaber. Forged through combat and honor, Clan Vizsla has stood as the rulers of Mandalore for a great length of time, their notable leaders include Tarre Vizsla, the creator of the Darksaber, Mandalore the Ultimate, who led the greatest Mandalorian army ever seen across the Galaxy, and Pre Vizsla, who seeks to rebuild the Mandalorian Empire.
