The Land of Mountains Arc

DATE	3 VE
LOCATION	Land of Mountains
PARTICIPANTS	Kumogakure, Sungakure, Kirigakure, Iwagakure, Konohagakure
DEATHS	20+ Shinobi
OUTCOME	Unknown

Background

A Nation to the West of the Shinobi world, not too knowledge of several strong individuals reside in Kaguya and a "Reibi" cult. A man by the name of venturing into the Mist Village and eventually join as an outsider. Once found out, Tae warns of something lurking within his homeland and is attempting to flee as far away East. Of course, the Mizukage proposes to help Tae take out this threat, motivating him to fight against the threat.

A Nation Desperate for Help

After some planning, 4 Shinobi from each village depart to the Land of Mountains to attempt to assist Tae Hyuga in taking back their land. After some delays and losses, they successfully make it past the first barrier to enter the Land of Mountains. Tae welcomes them and leads them to his house in Kagero Village, The only known city in the Land of Mountains and its new Capital. Tae explains the situation in which is to defeat a figure known as Kenzo Kaguya, the current leader of the Land of Mountains.

A Failure and Setback

In their time at the Land of Mountains, The Shinobi began to secretly train to defeat Kenzo, and they also went on to learn more about the Nation as a whole. Tae explains theres 3 major factions within the nation, Tae's side, a more of a resistance towards the others, Kenzo's side and a cult by the name of "Reibi." Tae warned the Shinobi to avoid interactions with the cult at all cost, but a Shinobi by the name of "Pax Hyuga" decided it would be a good idea to tell a cultist guard their entire plan forcing the Shinobi to end their trainings early and be forced to enter conflict with not only Kenzo but also Reibi.

Catacombs

After an *event* a select group of Shinobi are sent to an unknown place known only as the "Catacombs" little is known about this part of the Land of Mountains besides its extreme deathrate of 90% with its only survivor being Zeno Hozuki. When escaping from the Catacombs, another group of Shinobi managed to temporarily disrupt the Reibi army and ultimately knock them out of the question for helping Kenzo.

Battle of Bones

With little time left, the Shinobi decide to make their move on Kenzo now while Reibi can't help. In which a battle ensues, in the end the Shinobi manage to win with some minor losses.

it should be noted alot of information has been left out due to request of players attending the arc to not fully elaborate on things.

Kenzo Kaguya, one of the few remaining members of the Kaguya Clan
