

# Akai Utsuwa

## Description

A very long, curved blade made of unknown material, with a white, spider silk-like texture. Dual-edged and razor-sharp, the blade is known for its power and versatility. The blade has a small, warped guard for smooth, accurate swings. The guard has a sinister grin on each side. The weapon was created by just any blacksmith. A thick pommel is engraved with the symbol of the [UNDEFINED].
